A beautiful warm, welcoming home in which it is very easy to relax & feel at home.  
Thank you for providing such a wonderful setting for a celebration. Susan Egan

2004 Wonderful house, full of life and treasures to explore. Much of the hard work I imagined would be involved in getting a large group of people to mix together was done by the house itself - the games room especially! Many thanks to all at the Big House Company for providing such a ~~an~~ special venue for my 30th birthday - I loved being Lady of the Manor for a few days...! Judy Elias

2004 Friends of Wellington Park evening with music from Philip Eason. Much appreciated that we could hold this cheese & wine evening in this beautiful house - and those present enjoyed looking at some of the Fox family memorabilia.
